

“Pupils freely say how happy and safe they feel at school. They enjoy participating in a wide range of school activities, including sports, music and taking care of the school’s chickens. Pupils also enjoy memorable trips and residential visits, including to the Houses of Parliament.” Ofsted, 2023

LUBENHAM ALL SAINTS CE PRIMARY SCHOOL

Lubenham All Saints CE Primary School prides itself on the excellent achievement of its pupils, the dedication of the staff and the support of the parents, governors and wider community.

At Lubenham we want children to be happy and confident and to develop an enduring love of learning. We provide a happy and caring environment of mutual respect which is rooted in Christian teachings and seeks to develop the whole child. The school is located on School Lane in a beautiful Victorian building which is set within extensive grounds, including a large school field, a playground area and wild life area for environmental studies. We have a strong academic record and experienced teachers ready to support your child on their educational journey. We are immensely proud of our school and hope our prospectus gives you a flavour of what we are all about. We look forward to welcoming you into school soon.

Sarah Bishop, Headteacher

"This is a school with a great family feel. All the children are so kind and friendly. All children are supported in so many different ways." Parent

OUR COMMUNITY

The school is supported really well by its local community, including its sister schools located in nearby villages. Our PTA organise a variety of events in order to raise funds for the school, our governors volunteer to support the children in their continued development; and our strong link with All Saints Church means we take part in services and events regularly.

OUR SCHOOL

Our school is located in the beautiful village Lubenham, just minutes from Market Harborough. We are the town's village school offering vast green spaces, our own gardens, purpose built play equipment, wildlife pond and chickens. We offer exceptional learning opportunities combined with a love of nature, the outdoors and a community full of support.
